

2022 ADM APP

1. Search, download and log into the Eventsential app using the email provided to the ACOG meetings team to your Apple or Android Device.

Or simply scan the QR code:

2. Open the Eventsential App and search for ACOG and select the event you are exhibiting at.
3. To generate leads, go to the "More" tab at the bottom of the app to see the QR code scanner on the lower right-hand corner.
 - a. Scan attendee's badges.
 - b. If scan was successful, a screen with the attendee's name will appear and will allow you to enter notes to reference later
4. To download your report, go to "Plan Your Event" and select "Registrant Bag" to export the list as a CSV (Excel) Document.
