This activity is not a Continuing Education (CE) activity.

13011 McCallen Pass, Building A Suite 100 | Austin, TX 78753 | natera.com

The tests described have been developed and their performance characteristics determined by the CLIA-certified laboratory performing the test. The tests have not been cleared or approved by the US Food and Drug Administration (FDA). Although FDA is exercising enforcement discretion of premarket review and other regulations for laboratory-developed tests in the US, certification of the laboratory is required under CLIA to ensure the quality and validity of the tests. CAP accredited, ISO 13485 certified, and CLIA certified. © 2022 Natera, Inc. All Rights Reserved. OH_OS_TTS_202200825_NAT-8021108
