

Stand Out in the Crowd by Participating in the

ASTRO PRODUCT SHOWCASE

ASTRO
ANNUAL MEETING
2025

September 28 - October 1, 2025
Moscone Center
San Francisco

ASTRO will once again offer the Product Showcase at ASTRO 2025! Attendees are always looking for new and exciting products and services in the radiation oncology industry. The Product Showcase provides a unique platform to promote your company's products, maximize sales interest and generate more traffic to your booth. The Product Showcase is prominently featured in the Annual Meeting Portal, including your company's product information, marketing brochures and videos to promote your cutting-edge products to ASTRO attendees. On site, the Product Showcase will be featured on a highly visible, electronic billboard near an entrance of the Exhibit Hall.

Product Showcase participants receive the following additional benefits:

- Your company's product will be featured in the searchable Product Showcase directory available in the Annual Meeting Portal before, during and after the meeting. Participating exhibitors may include a product photo, a product description and a marketing brochure in the searchable directory.
- The Product Showcase will also be featured in an issue of the ASTRO Daily News distributed on site at the meeting. Each listing will include your product name, company name and booth number.

Deadline for ASTRO Daily News: August 22, 2025

Participation Fee: \$3,500 per product for first product
\$2,500 for each additional product

To reserve your spot in the Product Showcase,
