

## More Buzz. More Visibility. Beyond the Booth.

### PRODUCT THEATER

Product Theaters provide a forum to gather and discuss issues on patient education, specific products, services or new clinical science. Lasting 45-minutes in the Exhibit Hall, each Product Theater slot includes food and beverage provided by AOA. Due to popular demand, a second theater has been added for OMED26 and we are pleased to offer two morning slots and two afternoon slots. The afternoon slots are unopposed to CME sessions.

*The AOA recognizes that Product Theaters are promotional and may concentrate on a specific product or drug. These sessions do NOT receive CME credit.*
