**Double Time:** After (8) hours at work on Saturday, or after 4:30 PM on Saturday regardless of starting time; All day Sunday and Holidays.

### TOTAL COST

Total Cost = \$ \_\_\_\_\_

Applicable taxes will be applied to your order and invoiced accordingly based on specific venue jurisdiction but may also be based on the jurisdiction of where services are performed or your headquarters.

## PLUMBING CONDITIONS AND REGULATIONS

1. To receive discount prices, order must be received by Freeman with full payment.
  2. Credit will not be given for outlets installed and not used.
  3. Compressed Air connection size and fitting is determined by CFM requirements. Note: Our Plumbing Department will not be responsible for moisture or water in air lines. Exhibitors should supply their own filter or other equipment to handle moisture or water.
  4. Pump may be required for drain to function properly and will be charged a rental fee.
  5. Plumbing Contractor not responsible for color or sediment in water fill. If waste water for drain contains hazardous material, chemicals or metals, it cannot be drained. Fill & drain prices do not include labor. There will be a minimum charge of a half hour labor in and a half hour labor out. Additional labor charges may be incurred if equipment leaks and/or endangers other property.
  6. Ramps over utility lines in a booth are provided on a time and material basis. A minimum of a half hour additional labor charge will apply to lay lines under the carpet or floor or to spot from ceiling. A minimum of a half hour labor will apply to remove lines. Please attach floor plan with order to show location of lines.
  7. All material and equipment furnished by Freeman for this service order shall remain Freeman property and shall be removed ONLY by Freeman at the close of the show.
  8. All equipment must comply with state and local safety codes.
  9. Claims will not be considered unless filed by exhibitor prior to close of show, no exceptions.
  10. Under no circumstances shall anyone other than "Qualified Plumbing Personnel" make service connections.
  11. All equipment using water must have inlet and outlet properly tagged.
  12. Unless otherwise directed, Freeman Plumbing Personnel are authorized to cut floor coverings to permit installation of service.
  13. Rates listed are for services only. Additional labor and material charges may apply.
  14. Service outlet size will be determined by the volume required.
  15. All work performed within booth attaching lines to equipment will incur a connection fee for each connection.
  16. All outlets will be installed on the floor at the backwall of booth.
  17. Freeman will not be responsible for moisture or water in air lines. Exhibitors should supply their own filter or other equipment to handle moisture or water.
  18. Freeman must have 30 days notice in order to supply special regulators, strainers, traps, etc.
  19. Use of additional footage or equipment will be charged at the prevailing labor and material rate.
  20. Exhibitors are not allowed to bring air compressors on the show floor.
  21. Pressure may vary. No guarantee can be made of minimum or maximum pressures. If pressure is critical, exhibitors should arrange to have a pressure regulator valve installed.
  22. Certain areas require overhead drops for air, water and gas lines. Additional labor and material charges will apply for overhead work.
  23. Please contact Exhibitor Support at (888) 508-5054 for an estimate regarding labor or additional footage.
- **Electricity or electrical labor to connect and operate any plumbing apparatus is not included.**
  - **All electrical requirements must be ordered on the Electrical Rental Order Form.**
  - **Most bottled gases are required to be removed nightly from the show floor per MPEA regulations. Additional charges for removal and re-installation will apply. If you have questions regarding this, please contact us at: (888) 508-5054.**

## Plumbing Floor Plan

Using the legend below, please complete this form for all of your Air, Water and Drain orders. A change of location on an installed or partially installed utility service may result in additional costs to you. Please complete as clearly as possible and indicate the following information. If you are submitting your own detailed drawing, be sure to include the following items:

- 1. Location, Type and Size of the primary connection.** Plumbing needs to be distributed from one location. It is recommended that this location be placed in a closet, under a table/desk or in another location that keeps it out of sight. Please provide specific dimensions. Also, please try to orient your booth to the overall floor plan so that the diagram does not have to be rotated.
- 2. Location, Type and Size of secondary connections.** Please provide specific dimensions. *Do not simply place and X where a connection is required.*
- 3. Booth Orientation.** Please provide surrounding aisle and/or booth numbers, particularly for Island booths. Also, please try to orient your booth to the overall floor plan so that the diagram does not have to be rotated.
