FAIR TRADE

We purchase Fair Trade Certified coffee products for our guests. Fair Trade Certified products empower farmers and farm workers to lift themselves out of poverty by investing in their farms and communities, protecting the environment, and developing business skills necessary to compete in the global marketplace, all while ensuring that some profits go back to help build the schools and hospitals in the equatorial regions from where we source our coffees. We have disposed of the use of most PC (portion control) items and bring you natural sugar and chemical free sweeteners as well as local dairy creamers in bulk service for your beverage experience.

RECYCLE AND REUSE

Our Anaheim Water is bottled in 100% rPET, post-consumer recycled plastic bottles and has 65% smaller carbon footprint that traditional plastic bottles. The water is generated locally within our Anaheim Community and has high quality and taste for you and your guests.

Our 5-gallon Arrowhead® water comes from our local natural springs located just 80 miles from the Anaheim Convention Center. It is 100% natural spring water from the California San Bernardino mountains. Their Eco Sense® bottles are cleaned, re-filled, and re-used over 20 times before recycled into a variety of products, including children's playground equipment and sneakers. They are the first beverage manufacturer to build plants in America with LEED certification. They carefully preserve the land surrounding their springs and have supported the protection of more than 426,000 acres of natural lands and freshwater resources.

The City of Anaheim has alcohol manufacturing roots dating back to the founding of the city in the 1800's. The climate for production of beer, wine and distilled spirits was perfect for the City's founding business leaders. What's old is new again and the alcohol beverage manufacturing industry is growing rapidly once again.

We partner with our Anaheim brew masters to bring you our local flare to enhance and theme your events. Anaheim has 18+ breweries within the City. Inquire with your sales manager on what options can make your event unique.
