

## **EMBRAACE** **Exhibitor Rules & Regulations**

### **1. Purpose**

The objective of EMBRAACE is to further American Association of Clinical Endocrinologists' (AACE) objectives by providing a forum through exhibits and technical panels. Exhibitors are limited to firms, organizations and agencies whose exhibits are in harmony with the purpose of this Exposition.

### **2. Location of Exhibits**

The Exposition will be held at the Walter E. Washington Convention Center, Washington, DC.

### **3. Subleasing**

Exhibitor may not sublet his exhibit space, nor any part thereof, nor exhibit, offer for sale, or advertise articles not manufactured or sold by the exhibiting company, except where such articles are necessary for proper demonstration or operation of the exhibitor's display, in which case identification shall be limited to the manufacturer's normal regular nameplate. Exhibitor may not permit non-exhibiting company representatives to operate from his booth. Rulings of AACE shall, in all instances, be final with regard to use of exhibit space.

### **4. Occupancy Default**

Any exhibitor failing to occupy space contracted for shall not be relieved of the obligation of paying the full rental charge of such space. If not occupied by the time set for completion of the installation of the displays, such space shall be taken by AACE, and re-allocated or reassigned for such purposes or use at AACE's sole discretion.

### **5. Eligibility**

AACE has the sole right to determine the eligibility of any company or product for inclusion in the Exposition. The selling of any products or services without prior approval from AACE is strictly prohibited. All products and services exhibited must be relevant to practicing endocrinologists as determined by AACE. AACE will not be responsible for any losses incurred, including inability to exhibit, for exhibitors that do not have the necessary legal documents in place to sell products or conduct any activities within the space. It is the responsibility of the exhibitor to obtain and file the necessary city and/or state sales permits where required. Exhibitor will provide a copy of the documents to AACE prior to the show. The sale of approved products or services does not constitute an endorsement of the product or service by AACE.

### **6. Cancellation or Change of Exposition**

In the event that the premises in which the Exposition is conducted should become unfit for occupancy or substantially interfered with by reason of any cause or causes not reasonably within the control of AACE or its agents, the Exposition may be canceled or moved to another appropriate location, at the sole discretion of AACE. AACE shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of AACE. Causes for such action beyond the control of AACE shall include, but are not limited to: fire, casualty, flood, epidemic, earthquake, explosion, accident, blockage, embargo, inclement weather, governmental restraints, act of a public enemy, riot or civil disturbance, impairment or lack of adequate transportation, inability to secure sufficient labor, technical or other personnel, labor union disputes, loss of lease for any reason, regardless of cause, or other termination by the Walter E. Washington Convention Center, municipal, state or federal laws, or act of God. Should AACE

terminate this agreement pursuant to the provisions of this section, the exhibitor waives claims for damage arising therefrom. Refunds of “Paid Exhibit Space Fees” in the event of event termination or cancellation shall be made to exhibitors at the sole discretion of AACE and in any case, will not exceed the amount of each exhibitor’s paid exhibit space fee less any pro rata adjustments based on non-reimbursable direct and/or indirect event costs or financial obligations incurred by AACE through the date of exhibitors’ notification of event termination or cancellation or through the completion of event termination or cancellation processes, whichever is later.

## **7. Cancellation by Exhibitor**

September 27, 2019 through January 7, 2020, 50% of total exhibit space fee.

After January 7, 2020, 100% of total exhibit space fee.

AACE must receive written notification of the cancellation by registered or certified mail. Date cancellation notice is received by AACE will determine above assessment charges. In the event of either a full or partial cancellation of space by an exhibitor, AACE reserves the right to reassign canceled booth space, regardless of the cancellation assessment. Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation assessment. Appropriate payment must be received within 15 days of cancellation.

Downsizing requests will be considered same as cancellation (same dates and penalties apply) and will be accommodated on a space available basis. If an exhibitor does not notify AACE that they are not coming prior to the show set-up (i.e. no shows), future placement at AACE shows may be compromised or denied.

## **8. Payment**
