You are invited to become an exhibitor at the 53rd AAGL Global Congress on Minimally Invasive Gynecology (MIGS) and connect with leaders in the gynecologic surgery community. An average of 2,000 surgeons, industry, and educators come together at the Global Congress to advance state-of-the-art technology, products, and services that will improve women's healthcare. As an exhibitor you will have the unique opportunity to reach a diverse audience of key decision makers focused on laparoscopic surgery, robotic surgery, vaginal surgery, pharmaceuticals, and more.

There is no better place than AAGL24 to build your network, launch a new product, provide a hands-on demonstration, and showcase your latest technology, products, and services.

About AAGL

AAGL is the largest medical society focused on gynecologic surgery, with an international membership of over 7,100 physicians and healthcare providers committed to advancing minimally invasive gynecologic surgery (MIGS). AAGL's Annual Global Congress is the premier scientific program that provides the world’s finest gynecologic surgeons with the latest education and best practices in MIGS.

Mission
Focused on the ultimate goal of improving patient care in gynecologic medicine, AAGL recognizes that surgical gynecologists and other clinicians require lifelong learning. The AAGL provides a variety of educational activities to ensure our members achieve this goal.

Vision
The AAGL vision is to serve women by advancing the safest and most efficacious diagnostic and therapeutic techniques that afford less invasive treatments for gynecologic conditions through the integration of clinical practice, research, innovation, and dialogue.

Exhibitor Loyalty Program

2025 AAGL Global Congress exhibit space selection appointments will be assigned based on a Priority Point system. AAGL 2024 exhibitors earn Priority Points based on the following criteria. Total points will be added to the previous point total each year.

Exhibit History
• One (1) Priority Point for each year a company purchases exhibit space since 1983. History points for 2020 were credited based on purchases for the 2020 virtual meeting.

Exhibit Space and Meeting Rooms
• Two (2) Priority Points per 100 sq. ft. of exhibit space and meeting rooms purchased for the 2024 Global Congress.

Corporate Sponsorship
• Ten (10) Priority Points for becoming a Bronze Corporate Sponsor for the 2024 Global Congress.
• Twenty-Five (25) Priority Points for becoming a Silver Corporate Sponsor for the 2024 Global Congress.
• Thirty-Five (35) Priority Points for becoming a Gold Corporate Sponsor for the 2024 Global Congress.
• Fifty (50) Priority Points for becoming a Platinum Corporate Sponsor for the 2024 Global Congress.

Promotional Opportunities
• One (1) Priority Point for every $1,500 spent on Promotional Opportunities for the 2024 Global Congress.

2024 Exhibitor Room Block
• Four (4) Priority Points for reserving hotel rooms in the Exhibitor Room Block.

The AAGL Priority Point system is calculated by totaling all points earned by each company. Companies are ranked by their total points and are scheduled for appointments. Priority Points will be calculated for the company name stated on the exhibitor contract. If companies are in the same corporate family, have since merged or been acquired, the AAGL exhibits team must be notified in writing and the resulting company may choose to use the highest points of any of the referenced companies. Points will not be combined. Total points accrued are wiped out if company misses three years in a row (starting in 2021).
