Subsequent reassignment of canceled space does not relieve the canceling exhibitor of the obligation to pay the cancellation assessment. Appropriate payment must be received within 15 days of cancellation.

In addition to the above cancellation penalties, should Exhibitor cancel within 60 days prior to the first move-in day Exhibitor may be assessed fees incurred by AAGL to cover the booth area and convert it to a lounge area. Install/Dismantle

In order to conform to union contract rules and regulations, it will be necessary that all exhibitors use qualified union personnel for the installation and dismantling of exhibits and for material handling within the Show. The handling, placing, or setting out of the merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of an exhibit that does not require the use of hand tools, or more than one person, and can be accomplished within thirty (30) minutes, may be performed by the owner or company representative.

The decorator's Material Handling Department is responsible for maintaining in and out traffic schedules at the show site. Even local exhibitors should clear all movements of exhibit materials through this department as they will have priority at the unloading area at all times.

Union jurisdiction allows hand-carried items only and will not permit exhibitor's use of dollies, hand trucks, or pushcarts. Electrical installation must conform to Union rules and regulations and to all national, state and local codes. All exhibitor's decorating materials, furniture, signs, and equipment must conform to national, state, and local fire and safety codes. The use of open flames or butane gas is strictly prohibited.

The dismantling of exhibits begins on Tuesday, November 11, 2025, at 2:00 pm. Dismantling an exhibit or packing of equipment or literature prior to 2:00 pm on Tuesday, November 11, 2025 is not permitted. To avoid damage to equipment or display materials, exhibitors should remain with the equipment until crates are returned and materials packed. All crates must be packed and labeled for outbound shipment.

Please send this information to exhibits@aagl.org no later than October 13, 2025. All EACs must submit to AAGL an original certificate of insurance (see Insurance section above).

Booth Height Regulations

Linear Booths:

A maximum of 4 feet in height on each side of the exhibit booth has been established so that no booth will interfere with or distract from any other exhibit booth. Each exhibitor is entitled to a reasonable sight line from the aisle regardless of the size of their exhibit.

Island Booths:

When an island booth exceeds 8'3" it does not interfere with other exhibitors because it does not back up against another exhibitor's back wall. The extra height is often required in an island booth exhibit to permit the open walk-through approach normally used in this type of location. Ceiling height is 24 feet. Healthcare Convention and Exhibitors Association (HCEA) rules to be followed (see www.hcea.org/hcea_guidelines-and-best-practices/)

Americans with Disability Act (ADA)

To comply with the ADA, exhibitors should make every effort to accommodate attendees who are handicapped. The exhibit should be installed according to HCEA guidelines and may not project beyond the space allotted, obstruct the view of, or interfere with other exhibits. AAGL reserves the right to request modifications, at the exhibitor's expense, of any display that does not comply with these guidelines.

Children

For the protection of your children and to maintain the scientific nature of the exhibit hall, no children under the age of 18 will be allowed during the installation, dismantle, and exhibit hall hours.

These presentations may only be held during the refreshment breaks and luncheons. Amplification of the presenter is allowed; however, we request that you keep the volume at a comfortable level for your neighboring exhibitors.

Music and Videos

At no time should music or videos be played at a level that interferes with the activities of exhibit companies in your area. Amplified sound at booths cannot exceed 75 decibels. Companies that have been approved to host exhibitor-sponsored events or who are participating in the Exhibit Hall Buyer's Guide (formerly the Convention Bag Insert) program may use these vehicles to promote their products/services.

The AAGL contracts its own photographers and videographers for documentation and promotion of its Annual Global Congress and reserves the right to photograph any exhibit booth, sign, program, or sponsorship opportunity at any time; Exhibitor hereby grants to the AAGL a release and license for any such photographs to be used for AAGL's business purposes. Survey and Questionnaires

Exhibiting companies wishing to ask meeting attendees to complete a survey/questionnaire for marketing research or analysis purposes must not provide any monetary compensation for completing the survey. A modest gift, in accordance with the AdvaMed Code of Ethics, may be given for completing the survey/ questionnaire. All meeting attendees must be allowed to complete the survey if they so desire and an exhibitor may not deny an attendee from participating in a survey/questionnaire based on age, sex, race, or any other reason.

Usage of the AAGL Name

The use of the AAGL's name, insignia, association logo, annual meeting logo, or other identifying marks of the AAGL may not be used in signs, advertising, or promotions in any media or on descriptive product literature without the express written permission of the AAGL.

Security

As noted under Liability, AAGL and the venue will not be responsible for any damage, theft, or loss of any kind. AAGL will, however, provide general Overnight Perimeter Security Service, beginning on November 7, 2025, and ending on November 11, 2025. Companies requiring additional security at

their booth may do so at their own expense by contacting the AAGL office to obtain the name of the official security company for the event.

Food and Beverage Services

The venue is the exclusive provider of all food and beverage services within the facility. Exhibit companies and guests are prohibited from bringing any food and beverage into the Convention Centre from outside sources without prior written permission from the Convention Centre.

Hotel Reservations

On occasion, company representatives have questioned the housing procedures of most organizations. In selecting the location of our Global Congress, AAGL reserves rooms to include our members, and exhibit company representatives. We commit to the hotel(s) that the rooms we reserve will be utilized.

While our attendees can make their individual room reservations directly with the hotel(s), it is more complicated when blocks of rooms are requested. We realize that as a company you may have many representatives attending the meeting, and that the actual number is difficult to determine in advance.

What we have found in the past is that some companies will block an excess of rooms and cancel them just prior to the meeting. This causes the following problems: 1) our room block fills quickly with physician reservations and exhibitor blocks, leaving other attendees to look for space at other hotels; and 2) excess exhibit blocks are then canceled prior to the meeting and we have not met our obligation to the hotel(s).

AAGL expects your company representatives to book their accommodations at the hotel(s) in our block. We are interested in working with each individual company to ensure that your housing needs are met. We will allocate rooms to each company from our room block as accurately as possible using prior history as our guide. An Exhibitor Housing Form will be available on the AAGL website. All requests for housing must be sent to the hotel(s) with a copy to AAGL at housing@aagl.org. By working together to monitor the hotel room requests, hopefully, we can alleviate imposing penalties.

Exhibitor Disputes & AAGL

Exhibitors agree that any legal disputes, suits, or actions between AAGL and an exhibitor resulting from the participation in the exhibition or related activities of the AAGL Global Congress will be governed by the laws of the state of California.

Proper Attire

All exhibitors and their agents are expected to dress and conduct themselves in a professional manner at all times.

Product/Service Displays

To maintain the aesthetic appeal of the meeting, exhibit booths must be free of debris. AAGL reserves the right to order porter service at the exhibitor's expense if it creates an unsafe or unprofessional environment, as well as the right to curtail exhibits or parts of exhibits that reflect against the character of the meeting. Non-professional products or services are not to be displayed.

Investigational, Pre-Approved & Off-Label Products

Exhibitors shall comply with all applicable U.S. Food and Drug Administration (FDA) regulations, including, without limitation, FDA restrictions on the promotion of investigational and pre-approved drugs and devices and the FDA prohibition on promoting approved drugs and devices for unapproved uses. Any product not FDA-approved for a particular use or not commercially available in the U.S. may be exhibited only if accompanied by easily visible signs indicating the status of the product.

Exhibitors shall have available at their exhibit space a letter from the FDA that describes the allowable use of any drug or device exhibited.

No Smoking Policy

The AAGL has a no-smoking policy for the AAGL Global Congress. Smoking will not be permitted in any meeting area, common space in the Convention Centre or Exhibit Hall.

Exhibitor-Sponsored Events

No activities can be scheduled during the official program hours.

Code of Conduct

AAGL is committed to providing a friendly, safe, supportive, and harassment-free environment during the Congress. AAGL expects Congress participants to respect the rights of others and communicate professionally and constructively, whether in person or virtually, handling disagreement with courtesy, dignity, and an open mind. All participants are expected to observe these rules of conduct in all Congress venues. Organizers will actively enforce this code throughout this event. Violations are taken seriously.
