

SUPPORT OPPORTUNITIES

FOUNDATION OF THE AAGL Support Opportunities

SHOWCASE YOUR BRAND

Act as a champion of attendee engagement and philanthropic support through a comprehensive portfolio of high-visibility wellness experiences at the 55th AAGL Global Congress.

Support packages provide recognition across key wellness activities, including the Wellness Step Challenge, Yoga, and 5K Fun Run/Walk. Diamond-level support builds on these benefits with exclusive recognition of the Wellness Lounge, providing the highest level of visibility and a unique opportunity to align your brand with attendee well-being, balance, and connection.

Each support level demonstrates your organization's commitment to advancing the FAAGL mission while providing meaningful opportunities for brand visibility, attendee engagement, and event recognition.

Custom enhancements may be available to help align benefits with your organization's marketing and engagement goals.

The Foundation of the AAGL (FAAGL) is dedicated to advancing women's health by supporting education, mentorship, global outreach, and patient advocacy in minimally invasive gynecologic surgery. Through philanthropic partnerships and meaningful engagement, FAAGL helps provide resources that foster innovation, expand access to care, and empower the next generation of leaders working to improve women's health worldwide.
