ACOG reserves the right to remove any exhibit or bar future exhibition participation if, in ACOG’s opinion, the exhibitor disregards or refuses to observe ACOG’s or the Walter E. Washington Convention Center rules, policies, or written or verbal instructions or if ACOG determines that the exhibit is offensive or not in keeping with the professionalism or standards of the practice of obstetrics and gynecology. If an exhibitor removal does occur, we will neither refund the exhibit fee paid nor pay for exhibitor losses such as exhibitor housing, travel, wages, or other fees associated with exhibiting.

Indemnification and Waiver

Exhibitor shall indemnify and hold harmless the Walter E. Washington Convention Center, SPARGO, Inc., and The Freeman Company, LLC to the same extent that ACOG is required to do so pursuant to ACOG’s agreement with the Walter E. Washington Convention Center: Exhibitor shall indemnify, hold harmless, and defend the Walter E. Washington Convention Center, SPARGO, Inc., and The Freeman Company, LLC, the city in which the meeting is held, and their respective members, officers, directors, agents, contractors, and employees from and against any and all liabilities, damages, actions, costs, losses, claims and expenses (including reasonable attorney’s fees) arising out of, caused by, or resulting from, in whole or in part, any act, omission, negligence, fault, or violation of law or ordinance associated with the use or occupancy of the facilities by Exhibitor, its employees, agents, contractors, patrons, guests, exhibitors, licensees, invitees, or any other person entering the facilities with the implied or express permission of Exhibitor.

In defending all Claim(s), Exhibitor shall use counsel reasonably satisfactory to ACOG and shall proceed with diligence, timeliness, and good faith in such defense. Exhibitor’s duty to indemnify shall apply to an Indemnified Party except to the extent such Claim(s) results from the sole negligence, gross negligence, or willful misconduct of that Indemnified Party but said duty to indemnify shall continue as to other Indemnified Parties. Except as may be otherwise provided by applicable law, the Indemnified Parties right of indemnification shall not be impaired, reduced or diminished by any act, omission, misconduct, negligence or default of any Indemnified Party or of any employee or agent of any Indemnified Party who may have contributed thereto. To the extent any law may prohibit any application of all or any part of the indemnity obligations in this Agreement, it is the intent of the Parties that any such prohibited provisions are severable and the indemnity obligations in this Agreement shall be construed to impose the indemnity obligation in all circumstances, applications and situations to the fullest extent permitted by law.

Neither the conference/exhibition sponsor, nor its show management company or other agents or representatives, or their shareholders, officers, directors, employees or contractors shall be responsible for any injury, loss, or damage that may occur to exhibitor or to exhibitor’s agents, employees, affiliated personnel, officers, directors, shareholders, contractors or representatives or any of their property, businesses, or other activities from any cause whatsoever, prior to, during or subsequent to the conference or exposition event. By signing this Agreement, exhibitor expressly and voluntarily and knowingly assumes all such risk and expressly agrees, and hereby does, indemnify, defend, and hold harmless the conference/exhibition sponsor, its show management company and other agents and representatives, and their shareholders, officers, directors, employees and contractors, from and against all claims and liabilities arising out of, or in any way related to, the acts or negligence of exhibitor, exhibitor’s agents, employees or representatives.

**Cancellation and Postponement of the ACOG 2021 Annual Clinical and Scientific Meeting**

In the event that the ACOG 2021 Annual Clinical and Scientific Meeting is postponed due to any occurrence not occasioned by the conduct of ACOG or the exhibitor, whether such occurrence be an act of God; the common enemy; the result of terrorism, war, riot, civil commotion, sovereign conduct; widespread dissemination of an infectious disease; curtailment of transportation facilities; or the act or conduct of any third party (individually and collectively referred to as the “Occurrence”), then the performance of the parties of their respective meeting obligations shall be excused for such period of time as is reasonably necessary after the Occurrence to remedy the effects thereof. Exhibiting companies, their employees, agents, and vendors agree that any legal disputes, suits, or actions between ACOG and an exhibitor resulting from the participation in the exhibition or related activities of the ACOG 2021 Annual Clinical and Scientific Meeting will be governed by the laws of the District of Columbia without regard to conflicts of law principles, and shall be adjudicated exclusively in the courts located within the District of Columbia. Exhibitor hereby consents to personal jurisdiction and venue in the District of Columbia.

No leotards, shorts, bikinis, or stretch pants are permitted.

**No-Smoking Policy**

No smoking is allowed at the ACOG 2021 Annual Clinical and Scientific Meeting. Smoking will not be permitted in any meeting area or common space in the convention center or Exhibit Hall.

All individuals representing an exhibiting company must register as an exhibitor and wear the appropriate badge. Exhibitor Badges are non-
transferable. This policy applies to personnel staffing a particular exhibit for the duration of the exhibition as well as those who will be visiting for a short period of time. It is against ACOG’s policy for contractors to lend their badges to anyone. In addition, it is against ACOG’s policy for an exhibitor to assist an ineligible individual in obtaining a badge or gaining access to the Exhibit Hall. Anyone who violates this policy will be barred from further participation in this and future meetings. An exhibitor’s badge is valid admission to the Exhibit Hall only. All other sessions are restricted to registered meeting attendees with a full-access badge. Paid exhibitors will receive emailed information regarding their exhibitor badge registration and pickup for the ACOG 2021 Annual Clinical and Scientific Meeting.

If other products or services are displayed, ACOG will require exhibitors to remove the unrelated product or service from the exhibit. We reserve the right to decide the appropriateness of any service, product, device, videotape, or audiotape. Products or services that are not acceptable for exhibition at the ACOG 2021 Annual Clinical and Scientific Meeting include but are not limited to products that are

Alcohol is not allowed in the Exhibit Hall unless part of a reception or event inside of Exhibit Hall.

**Audio/Visual Equipment**

Exhibitors are prohibited from using the following devices in the Exhibit Hall:

- Microphones
- Flashing lights
- Audio or visual devices that display anything other than exhibiting company products and services; prohibited displays include, but are not limited to, sporting events and news broadcasting

Excessive audio or visual displays and offensive displays are not permitted, and sound effects are discouraged because of the potential to interfere with other exhibitors and detract from the professional atmosphere of the Exhibit Hall. Exhibitors may use sound equipment in their booths if the noise level does not disrupt the activities of the neighboring exhibitors. No microphones may be used during presentations. Electrical or other mechanical apparatus must be muffled so that the noise does not interfere with other exhibitors and speakers; other sound devices must be positioned to direct sound into the booth rather than into the aisle. At the request of ACOG, objectionable sound levels must be remedied or use of the sound-producing device will be forbidden for the remainder of the show. Those exhibitors violating noise regulations will be warned only once before the removal of the equipment at exhibitor’s expense.

**Surveys and Questionnaires**

These guidelines are for exhibiting companies that are asking convention registrants to complete a survey/questionnaire for marketing research or analysis purposes.

Exhibitor is solely responsible for complying with all applicable laws and regulations regarding privacy and human subject research and must obtain any required consents from participants.

- Written approval from the Meetings and Exhibits Department is necessary if an exhibitor wishes to have meeting attendees complete surveys or questionnaires. Submission of sample survey or questionnaire must be received by April 1, 2021. Submit surveys and questionnaires to ACOG Exhibits Management via the online Exhibitor Resource Center for approval.
- A copy of the survey or questionnaire must be submitted with a written statement of the purpose, specific identification of who will have access to the information provided by the survey questionnaire, and whether the information will be used in ads, publications, or statements to any news or media source.
- All meeting participants must be allowed to complete a survey if they so desire.
- An exhibitor may not deny an attendee from participating in a survey or questionnaire based on age, sex, race, or any other reason.
- Exhibitor must share the results of any survey with ACOG.

ACOG’s commitment to its values is also reflected in its Harassment-Free Workplace policy, which prohibits sexual and discriminatory harassment against ACOG employees, whether the harassment is committed by an employee, member, volunteer, vendor, exhibitor, or other party.

This ACOG Meetings Anti-Harassment Policy further promotes ACOG’s values by defining the expectations for all participants at any ACOG meeting and related social events. When used in this policy, “participant” refers to anyone present at any ACOG meeting, including all attendees, members, speakers, staff, contractors, vendors, and exhibitors. This policy applies to all meetings hosted by ACOG at all venues and events, including all ancillary or unofficial social events held in conjunction with any ACOG meeting.

**2. Expected Behavior**

ACOG expects all participants at every ACOG Meeting to behave responsibly and professionally and to abide by this Anti-Harassment Policy. In addition, ACOG expects participants to comply with the following:

- Responsible alcohol consumption: At many ACOG networking events both alcoholic and non-alcoholic beverages are served. ACOG expects participants at our events to drink alcoholic beverages responsibly. ACOG and event staff have the right to deny service to participants for any reason and may require a participant to leave the event.
- Safety and security: Participants should alert ACOG staff if they notice a dangerous situation or someone in distress.
- Treatment of others: Participants must exercise professionalism, consideration, and respect in their speech and actions and must refrain from demeaning, discriminatory, or harassing behavior and speech. Participants who experience or
3. Unacceptable Behavior

ACOG will not tolerate harassment, including sexual harassment, by any participant at any ACOG meeting.

Sexual harassment is defined as unwanted sexual advances or touching; requests for sexual favors; or other unwelcome physical, verbal, visual, or other conduct of a sexual nature. Unacceptable behaviors include, but are not limited to:

- Unwelcome and uninvited attention or contact with another participant
- Real or implied threat of physical harm
- Real or implied threat of professional or financial damage or harm

4. Consequences of Unacceptable Behavior

Unacceptable behavior from any participant at any ACOG meeting will not be tolerated. If a participant engages in unacceptable behavior, ACOG may take any action that it deems appropriate, including exclusion from particular events or removal from the meeting (without refund) at which the harassment occurred. Egregious violations may be referred to the ACOG Grievance Committee or may result in exclusion from future meetings.

5. Reporting Unacceptable Behavior

If you are being harassed, notice that someone else is being harassed, or have any other concerns, please call (844) 460-6615 or make a report online.

Witness harassment are encouraged to report it as provided in Paragraph 5.

Island Exhibits

An island booth is a 400-square-foot (20’x20’) or larger exhibit space exposed to the aisles on all 4 sides with a height restriction of 20 feet. Solid walls must be set back two feet from the aisles.

Island booths must be constructed to allow access from all sides. Island booths should have open sight lines around and through the design (including hanging signs/structures), so that the surrounding area can be viewed through the booth and that neighboring booths are not inappropriately obstructed. The top of the booth’s sign must not extend more than 20 feet from the Exhibit Hall floor and cannot block visibility of ACOG signs. Variances will not be granted.

Exhibitors who wish to construct an island booth that will be 400 square feet or larger, are required to submit a digital drawing, rendering, or architectural plans to ACOG Exhibits Management by March 19, 2021. Any changes that occur after initial submission must be resubmitted to ACOG Exhibits Management for approval prior to the meeting. Should booth construction at the meeting deviate from the actual submitted and approved floor plans, ACOG Exhibits Management reserve the right to ask the exhibitor to make modifications at the exhibitor’s expense. When scheduling activities that may draw crowds, exhibitors must make available (in contracted floor area) adequate space for lines.

Standard/Inline/Linear Exhibits

Inline booths are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only one side exposed to the aisle. ACOG will provide a standard draped booth, consisting of an 8’ high backdrop, 36” draped side rails, and a 7”x44” Company ID sign which will include the “exhibiting as” company name from the exhibit space application and the booth number.

Regardless of the number of inline booths utilized, display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors.

The maximum height of 8ft is allowed only on the rear half of the booth space, with a 4ft height restriction imposed on all materials in the remaining space forward to the aisle. No objects or decorations that obstruct visibility, including hanging signs, will be permitted. Note: When three or more inline booths are used in combination as a single exhibit space, the 4ft height limitation is applied only to that portion of exhibit space which is within 10ft of an adjoining booth.
Corner Booths

A corner booth is an inline booth at the end of a series of inline booths with exposure to intersecting aisles on two sides. Corner booths do not include 36" draped side rails on the open corner(s) unless special arrangements have been made in advance. For special arrangements, please contact acogexhibits@spargoinc.com. All other guidelines for inline booths apply.

Booth Construction

To maintain a uniform appearance, ACOG has adopted some guidelines for exhibit construction as suggested by the International Association of Expositions and Events and Healthcare Convention & Exhibitors Association.

When designing your exhibit please keep in mind the following overall regulations:

• No two-story exhibits will be allowed.
• No exhibitor will be allowed to merge two corner exhibits (peninsula exhibits).
• No exhibit may include, or overflow into, an aisle or an exhibit occupied by another organization.
• No balloons are allowed in the Exhibit Hall.
• All exhibit spaces must be carpeted at the exhibitor’s expense.

Exhibit Hours

Exhibit Hall hours are subject to change. At least one company representative must be present at the booth throughout the designated Exhibit Hall open hours. If your representative is not available during the exhibit hall hours and without prior notice given to or approval from Exhibits Management, ACOG may remove points from the company’s Annual Meeting Priority Points or no longer invite them to attend future ACOG Meeting events.

• Storage prior to the show (30 days)
• Transportation from warehouse to exhibit
• Removal and storage of empty crates
• Reloading at show site

The official service contractor (OSC) has the responsibility of receiving and handling all exhibit materials and empty crates. It is their responsibility to manage the docks and schedule vehicles for a smooth and efficient move-in and move-out of the exhibition. The OSC will not be responsible for any material it does not manage.

Full-time employees of the exhibiting company may move their own materials to their booth space with two-wheel dollies only.

Vehicles being unloaded must be owned or leased and operated by a full-time employee of the exhibiting company. No
pallet jacks nor motorized forklifts can be operated by anyone other than the official freight service contractor.

Hotel bellhops, porters, taxi drivers, day laborers, etc. are not allowed on the show floor and cannot move any materials to and from the exhibitor’s booth. Exhibitors wishing to move their own materials in or out of the show will be provided a space in the dock area to load or unload their vehicles on a first-come basis.

Empty crates, boxes, and cartons must be removed from the exhibit area by the end of exhibits setup for the Annual Meeting. These materials should be nested as much as possible. Crates, boxes, and cartons may not be stored behind booth backgrounds. Do not store anything of value in crates that will be placed in storage.

Accessible Storage

Accessible storage for sample materials and other items will be available. Prior to the opening of each day’s show, you may order deliveries, as necessary. Labor charges are the responsibility of the exhibiting company. No four-wheeled carts are allowed on the Exhibit Hall floor once the show has opened.

Personal Unloading and Reloading of Exhibits

All exhibit materials personally delivered by vehicle to the convention center must be unloaded and reloaded at the loading dock. Exhibitors may unload and reload their own personal vehicles only, provided they are full-time employees of the exhibiting company and do not use mechanized equipment such as dollies, hand trucks, pallets, or jack. No deliveries are allowed through the main entrance of the convention center.

Unpacking and Porter Service

To maintain the aesthetic appeal of the meeting, any exhibitor unpacking products or giveaways must request porter service to remove refuse. ACOG reserves the right to order porter service, at the exhibitor’s expense, for any exhibitor that does not properly discard refuse in a timely manner or creates an unsafe environment.

Miscellaneous Deliveries

Deliveries of items other than exhibit freight, such as equipment rentals, must be sent through the convention center loading dock and distributed through the OSC service desk. Delivery personnel will not be badged and cannot gain access to the exhibit floor. No deliveries may be made through the lobby of the convention center.

EAC

Exhibitors may use EACs for other services than those mentioned under Annual Meeting Official Vendors. Exhibitors who decide to use an EAC must require their contractor to adhere to all the ACOG’s rules and regulations. Exhibit companies will be held responsible for any violations of our policies or the inappropriate actions of their EAC. Unauthorized EACs will not be granted access to the exhibit hall.

1. An exhibitor using a contractor/vendor who is not an Annual Meeting Official Vendor will be required to submit a Notification of intent to Use an EAC Form through the online Exhibitor Resource Center. This form must be submitted, along with the EAC’s Certificate of Liability Insurance, no less than 30 days prior to the first day of move-in.

2. All EACs must submit to ACOG Exhibits Management an original certificate of insurance that provides for not less than $1,000,000 of general liability insurance including property damage and workman’s compensation coverage that meets the State of Washington requirements. No faxes or copies will be accepted. This certificate must name the American College of Obstetricians and Gynecologists (the College) as the certificate holder and additionally insured and must be valid through the Annual Meeting dates. Walter E. Washington Convention Center, SPARGO, Inc., and The Freeman Company, LLC must also be listed as additionally insured. A list of clients that the EAC will be servicing during the 2021 Annual Meeting must also be attached. EACs that fail to send in an insurance certificate will not be allowed to provide their services. No exceptions will be made.

3. EACs must have licenses, permits, or bonding required by federal, state, county, municipal governments, and the Walter E. Washington Convention Center prior to commencing work and shall provide the ACOG with evidence of compliance upon request.

4. Upon arrival at the hotel, EACs must check in at the registration desk to receive permits to work in the Exhibit Hall. Daily passes will be issued to the labor supervisor only. The first representative will be responsible for distributing the passes to their coworkers. ACOG can assume no responsibility for the distribution of work passes.

5. ACOG reserves the right to remove any exhibitor or designated contractor whose actions jeopardize the on-time opening of the exhibition or whose employees fail to observe the regulations and procedures
6. An EAC must cooperate with the official contractors or vendors, especially by not interfering with the efficient use of an official contractor’s employees. EACs must be signatory to a current local labor agreement with the union claiming jurisdiction over the work to be performed by the EAC and must not commit any acts that lead to work stoppages, strikes, or labor problems.

7. An EAC must work from their client’s booth space. An EAC who is supplying personnel to an exhibitor may not set up a service desk in aisles, com- mon areas, or the no-freight aisles.

8. Solicitation of business by EACs in the exhibit hall is strictly prohibited. This includes, but is not limited to, the posting of signs, distribution of literature, business cards, or other forms of advertising or marketing.

9. No EAC employee or agent is allowed on the exhibit floor during exhibition hours unless it is at the specific request of the exhibitor. This request must be made in writing to ACOG Exhibits Management via the online Exhibitor Resource Center and include the name of those individuals needing access as well as an explanation as to why such access is necessary. ACOG will treat these individuals as exhibitor personnel and attribute their registration to the overall booth registration total. If the badges prepared for these individuals exceed the allocated number of complimentary badges, the appropriate fees will be charged.

10. The EAC must adhere to the move-in and move-out schedules. If an EAC desires earlier access to the exhibition than the approved Annual Meeting schedule, a request must be submitted in writing from the exhibiting company to ACOG Exhibits Management via the online Exhibitor Resource Center.

11. All employees must be dressed in appropriate business attire during the times when the exhibit hall is open (shirt and tie or polo shirt and slacks, no company logos, no shorts, or sweatpants).

Exhibitors and their EACs will be responsible for any additional expense incurred by ACOG or the official service contractor should any occur. Exhibitors or the EAC agree to reimbursement of any expenses incurred by ACOG because of the activities of the EAC.

Shipping Instructions

Materials shipped in advance should be sent directly to the official contractor and addressed exactly as shown in the service manual. You will be provided a service manual from the OSC when available after your application and payment have been received by ACOG.

Shipment must include all the information indicated in the service manual. If it is not included and excessive handling is called for, an additional fee will be assessed to include time and labor involved in placing the shipment.

Do not ship exhibit materials directly to the designated hotels. The facilities and ACOG will assume no responsibility for your shipments if lost, damaged, or stolen.

Security

ACOG shall not be responsible for any theft, damage, or loss of any kind.

Exhibitors desiring security specifically for their exhibit(s) may order guards for an additional fee by contacting the official contracted security firm. Security forms will be contained in the exhibitor service manual. As a precaution, only the official security firm will be allowed to provide security for your exhibit.

Possible Demonstration

Please make ACOG aware if your organization may be the subject of a demonstration or protest group. This is necessary so that the appropriate measures may be taken to lessen the impact such demonstrations may have on the Annual Meeting attendees. This will not have any bearing on your ability to exhibit at Annual Meetings.

Fire Regulations

All exhibiting companies and their personnel must comply with the local, state, and federal fire regulations. All decorating materials, furniture, signs, and equipment must meet the local, city, and state fire and public safety regulations.

In accordance with the city fire marshal, no empty crates or boxes may be stored in the exhibit area, under draped tables, or behind the pipe and drape. Fire regulations require that any enclosed exhibit must be equipped with smoke detectors.

ACOG requires that any exhibitor using or generating hazardous waste or potentially dangerous materials must obtain the written permission of the ACOG’s Exhibits Management and the convention center prior to the opening of the exhibition. Hazardous waste is any liquid, material, or substance that may cause fire or injury or make the air unsafe to breathe.

The following are prohibited unless approved by ACOG prior to the date of exhibition:

- Flammable liquids
- Combustibles
- Hazardous materials, waste, and equipment
- Cooking devices (e.g., microwaves, hot plates, radiant ovens)
- Anything producing an open flame

Questions about fire department regulations should be directed to the Walter E. Washington Convention Center.
