## On Demand Content

If you were not able to attend the live meeting or you want to watch one of the presentations, you can do so by going to the **On Demand** tab located on the top toolbar. Video files will be posted here for you to watch when it is convenient for you.

## Evaluations and Certificate

If you've attended a session or On Demand Presentation, you will need to complete your session or overall evaluation in order to earn CME and print your certificate. To do so, please go to the **Evaluations** tab located on the main toolbar and select the **Complete Evaluation** option located on this panel and follow the instructions to complete evaluations. You will also be able to see if you have any uncompleted items that you need to finish. The system will track where you left off in the session. You can then click the **Certificate** tab located next to **Evaluations** to print your overall certificate. Your overall certificate will contain all sessions for which you attended and completed an evaluation for.

2. The Session was based on available science

3. The Session was well organized

4. The Session met expectations for learning

5. The Session contained information relevant to my practice.

6. Overall lecture grade

7. If poor, please explain

Presenter Evaluation Questions

If you miss the evaluation in a live session, or are watching it On Demand, you can always come back to this area to complete it at any time. Any sessions you attended, or viewed On Demand will automatically appear in your Evaluations tab.

The first time you visit Evaluations to complete a session evaluation, you will be required to complete the **Overall Evaluation**. Once you have completed the Overall Evaluation once, this item will automatically be completed for you the next time you go to complete other session evaluations. Please note, you will have the option to edit your Overall Evaluation responses if you should choose. Each time you complete the evaluations for sessions attended, the session will be added to your Overall Certificate, which can be accessed at anytime on the bottom toolbar **Certificate** tab.
