Product Theaters

DVI - \$10,000

DXI, AFD, DVII, DIV, & DI and V - \$20,000

DVIII and IX - \$25,000

Product Theaters are 60-minute sessions that provide a focused, high-value live marketing opportunity for exhibitors to reach motivated professionals in a pre-scheduled, private session. Scheduled throughout the day, at the District Meeting Hotels, Product Theaters provide a forum to gather and discuss issues on patient education, specific products and therapeutic areas with company representatives or your designees. ACOG recognizes that Product Theaters will be promotional and may concentrate on a specific product or drug. These sessions are not approved for continuing education credits.

Hosting a Product Theater allows 2023 Annual District Meeting Exhibitors to:

- Interact with Annual District Meeting attendees in an intimate theater setting
- Highlight and demonstrate new and existing products
- Provide up-to-date research findings
- Give product details in-depth
- Demonstrate products
- Distribute branded materials

Product Theaters will be available in multiple time slots allowing exhibitors to select the time of day that best suits their presentation needs. All sessions will be assigned on a first-come, first-served basis. The fee provides access to Annual District Meeting attendees who register for the event. Contact acogexhibits@spargoinc.com to see time slots and inclusions for your specific District Meeting.
