## Position Your Company as an Industry Leader

You are invited to join us as an exhibitor at the AOSSM 2025 Annual Meeting! As the largest dedicated sports medicine meeting in the country, the AOSSM Annual Meeting brings together nearly 2,000 participants from around the world for education, research, innovation, and fantastic networking.

As an exhibitor, you will connect with surgeons, physicians, physician assistants, athletic trainers, and physical therapists looking for your latest products and services in the diagnosis, prevention, treatment, and rehabilitation of sports injuries.

### The #1 Orthopaedic Sports Medicine Meeting:

- 1,300+ Healthcare Providers/ Professional Attendees
- 200+ Featured Speakers
- 200+ Poster Presentations
- 85+ Exhibitors
- 60+ Paper Presentations
- 12+ Instructional Courses

## THE FIELD HOUSE

### Check Out What's In Store for The Field House

Have you heard? The exposition will now be open for two days with two additional hours of quality interaction with learners added to The Field House (Exhibit Hall) schedule. In addition, the Opening Celebration will be held in The Field House on Thursday evening, beverages will be available during breaks, and complimentary lunches will be provided for all learners. There will also be numerous activations such as the OLC Mobile Lab, The Turf mini-football field (including a product demonstration area), educational theaters, a podcast lounge, and more!

### DON'T MISS THE BIG EVENT!

## About AOSSM

Our mission is to be the premier global, sports medicine organization for orthopaedic surgeons and other professionals who provide comprehensive health services for the care of athletes and active people of all ages and abilities.

AOSSM cultivates evidence-based knowledge, provides extensive educational programming, and promotes emerging research that advances the science and practice of sports medicine.

- Quality Patient Information – The cornerstone of our patient outreach
- Teamwork – We lead through example and mentoring
- Integrity – We advocate and emulate high ethical conduct in all that we do
- Transparency – We embrace open, two-way dialogue with our members
- Scientific Excellence – We pursue rigorous evaluation of our programs
- Innovation – We develop new ideas in all aspects of our work
