

Seattle, WA Labor Guidelines

For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Booth Labor & Freight

Booth Labor & Freight in Seattle – Full-time employees of the exhibiting companies may set their own exhibits, provided that the exhibit can be set up in less than one half-hour without the use of tools or ladders. Any additional labor services that may be required must be rendered by the local Carpenters Union. You may hire labor either through your choice of Exhibitor Appointed Contractor (EAC), or you may hire labor from the General Contractor. Proof of full-time employment status may be requested by the Union Steward of any personnel working in your booth.

Exhibitors may hand-carry their own materials into the exhibit facility. Wheeled carts or dollies are not permitted. The General Contractor controls access to the loading docks and exhibitors will not be allowed to bring materials in through the docks.

Hours

Straight time rates apply from Monday through Friday, 8:00 am to 5:00 pm. Overtime rates are incurred outside of those hours on Monday through Friday as well as all day on Saturdays. Double time rates apply on Sundays and holidays. Lunch is from 12:00 pm to 1:00 pm.

Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
