Exhibitor Badges **do not** give exhibitors access to Meeting sessions. Exhibitor Badges allow exhibitors entrance into the Exhibit Hall, Opening Session, Plenary Session and Posters. Exhibitors wishing to attend sessions must purchase an Exhibitor Attendee Badge. An Exhibitor Attendee Badge allows the same access to the Hall as Exhibitor Badges, but also includes access to sessions. Fees associated with Exhibitor Attendee badges can be found online at meetings.asco.org/am/registration.

Please note: When registering your staff, *a unique email address is required for each exhibitor*. **Annual Meeting products, including the *Proceedings and Educational Book* and online evaluation are accessed using this email address.** ASCO will not contact individual exhibitors regarding their registrations.

Exhibit Hall Pass

The Exhibit Hall Passes are intended for staff who are registered as Individual or Group Attendees who need access to the Exhibit Hall to attend meetings or other related company functions before or after open hours. Staff that have an Attendee badge must also have an Exhibit Hall Pass in order for security to grant access to the Exhibit Hall before or after hours. Staff registered as Exhibitor Booth Personnel or Exhibitor Attendees DO NOT require an Exhibit Hall Pass, as their exhibitor badges allow access to the Hall during these times. Passes can be requested on the [Exhibitor Registration website](#) and can also be obtained by the Exhibitor Contact onsite. If an Exhibitor Contact would like an Exhibit Hall Pass mailed to an attendee with their badge, please email the attendee name to the ASCO Annual Meeting Customer Service Center at ascoregistration@spargoinc.com no later than Wednesday, March 23. The passes allow additional access to the Hall on the following days and times:

Friday, June 3	8:00 AM - 6:00 PM
Saturday, June 4	7:00 AM - 6:00 PM
Sunday, June 5	7:00 AM - 6:00 PM
Monday, June 6	7:00 AM - 5:00 PM

Important Note

Select a meeting place outside of the Hall to distribute your company's badges, including Exhibit Hall Passes. Do not plan to meet your employees within the Exhibit Hall or at your meeting room in Hall E of the East Building—your employees will not be allowed access to the Exhibit Hall unless they already have their Exhibitor Badges or Exhibit Hall Pass.

Health & Safety

All in-person attendees at the ASCO Annual Meeting must be fully vaccinated against COVID-19 by the time of the Meeting. Please review our health and safety page for specifics on vaccine requirements. Badges will not be released to exhibitor leads or to attendees if an attendee's vaccination status has not been verified. ASCO will notify exhibitor leads of the accepted method(s) of vaccination validation in advance of the Meeting. If you or your delegates cannot or choose not to comply with ASCO's health and safety protocols, including the vaccine requirement, or if your delegates are unable to travel to Chicago, please join us online for livestreamed and on demand sessions, Q&A, and other interactive features. Please visit our [Health and Safety](#) page for the most up to date information.
