PRICING

Published pricing does not include a service charge (21.5%) or applicable taxes. A good faith estimate of food and beverage prices, will be provided in advance of the event's start date and will be confirmed at the signing of the contract. However, due to fluctuating market prices, we reserve the right to make product substitutions based on specific commodity price increases. OVG Hospitality reserves the right to make menu substitutions and revise the style of service due to supply interruption and/or health and safety regulations caused by any health crises that may arise. Please discuss the styles of service for all buffet services and the additional costs with your Catering Manager.

SERVICE CHARGES

All catered events are subject to a 21.5% service charge. 19.94% of this Service Charge is distributed as tips/gratuities to the employees who provide service to guests in connection with the catered event. The remaining 1.56% of this Service Charge is the sole property of the McCormick Place, as applicable, is used to cover that party's costs and expenses in connection with the catered event and the administration of the event (excluding employee tips, gratuities, and wages), and is not charged in lieu of a tip or gratuity. This portion of the Service Charge is not a tip or gratuity, nor is it purported to be a tip or gratuity, for any employee who provides service to guests (e.g., wait staff employee, service employee, service bartender, and the like), and no part of this portion of the Service Charge will be distributed (as a tip, gratuity, or otherwise) to any employee who provides service to guests.
