

## 61st ASH® Annual Meeting and Exposition Orlando, Florida • December 7-10, 2019

### PROHIBITED ACTIVITIES AND ITEMS

Prohibited activities and items in the exhibit hall:

- The use of helium balloons and/or lighter than air objects.
- Microphones
- Flashing lights
- Multi-level island booths
- Distribution of alcoholic beverages or popcorn in exhibit booths.
- Fundraisers, auctions or activities that involve donations to organizations other than ASH.
- Canvassing or distributing promotional materials outside the exhibitor's rented booth space
- Audio/visual devices that display anything other than exhibiting company products and services; prohibited displays include, but are not limited to, sporting events and news broadcasting.
- Excessive audio/visual devices and offensive displays are not permitted, and sound effects are discouraged because of the potential to interfere with other exhibitors and detract from the professional atmosphere of the exhibit hall.
- Scientific and educational presentations are prohibited within the exhibit hall, and exhibitors are prohibited from offering activities in their booths that provide continuing medical education (CME) credit. However, presentations that promote a company's products and services are allowed within that company's exhibit booth. Demonstrations must be located in an area such that any crowd that gathers will be contained within that exhibitor's space and will not block the aisles or neighboring exhibits.
