GIVEAWAY APPROVAL AND SUBMISSION INSTRUCTIONS

All items distributed to attendees must be useful to the participants at the meeting and/or in their professional activities. Items must be small in size and made available to all ASH attendees, regardless of registration type or demographics, as long as the supplies last. Please also note the following restrictions:

Commercial Exhibitors

It is ASH's policy that all giveaways by commercial exhibitors in the ASH exhibit hall meet the giveaway standards of the PhRMA Code, whether or not the companies have adopted the PhRMA Code. In keeping with the PhRMA Code, all giveaways by commercial exhibitors must be designed primarily for the education of patients or health-care professionals. Such giveaways must also be of modest value and available to all registered attendees immediately upon request. Use this link for more information on the [PhRMA Code](#).

Nonprofit Exhibitors

All giveaways by nonprofit exhibitors who are not subject to the PhRMA Code must be of modest value and available to all registered attendees immediately upon request. Giveaways by nonprofit exhibitors who are subject to the PhRMA Code must meet the standards listed above for giveaways by commercial exhibitors. Use this link for more information on the [PhRMA Code](#).

The Patient Protection and Affordable Health Care Act signed into law in March 2010 includes the Physician Payment Sunshine Act, which requires pharmaceutical, medical device, biological, and medical supply manufacturers to report to Health and Human Services (HHS) any "payment or other transfer of value" to physicians and teaching hospitals that exceeds \$10 in value. Regarding giveaways and in-booth hospitality approved by ASH, it is the responsibility of the exhibiting organization to comply with the aforementioned Act and record or report as required by law.

Exhibitors intending to provide giveaways must complete the Request for Approval of Giveaway Form, which will be included in the online [Exhibitor Resource Center](#), by **Friday, October 22**. Any exhibitors found distributing materials that have not been officially approved will be required to cease distribution immediately and may have their priority points reduced.

Posters or handouts with information about ASH annual meeting abstracts (such as poster numbers, time/location of presentations, etc.) that are displayed or given away within the exhibit must be approved by ASH. Please contact Joanna Robertson, Senior Manager, Data Integrity - Publications, at jrobertson@hematology.org for approval.
