Tip: Always access the prospectus from the link instead of downloading it. Any changes to the prospectus will be highlighted in the weekly newsletters and the version date is located on the bottom right corner of the cover page of each prospectus.

ASN 2021 Kidney Week Space Selection Process:

Exhibitors with priority points may anticipate an email notification of their upcoming space selection appointment, within the next week, from SPARGO. You will need to RSVP to confirm receipt and solidify your appointment. The Kidney Week 2021 booth space selection process will be to allow previous exhibitors with priority points to select exhibit space, in priority point order, starting in late July. After those appointments have been completed in August, the floor plan will become available to exhibitors who do not hold priority points. Please have your IT department add kidneyweekao@spargoinc.com and the spargoinc.com domain to your safe sender list to ensure you receive the email.

Thank you for your support of ASN, Kidney Week, and the kidney health community. We look forward to working with you on a great exhibition this fall.

Sincerely,

Ronny Coombs, Senior Coordinator for Meetings and Exhibits
