WELCOME

Thank you for choosing to exhibit at the ASRM Scientific Congress & Expo. The ASRM Scientific Congress & Expo will be held October 12-16, 2019 at the Pennsylvania Convention Center in Philadelphia, PA. The exhibits will be open October 14-16, 2019.

This Exhibitor Service Manual provides you with all the information that an exhibitor needs to have a successful Scientific Congress & Expo – from forms for ordering carpet, furniture, electricity, and telecommunications, to important information with regards to registration, housing, and sponsorship opportunities. The Exhibitor Service Manual also includes information on available discounts if services are ordered by the earlier deadline date. In addition to the cost savings advanced ordering provides you, it also helps the service providers better plan equipment needs and labor schedules – all resulting in a smooth operation and successful experience.
