

ASRM EXHIBITOR SATELLITE EVENT APPLICATION

ASRM EXHIBITOR SATELLITE EVENT GUIDELINES ASRM SCIENTIFIC CONGRESS & EXPO

ASRM Exhibitor Satellite Events are exhibitor-sponsored events that may be held during the ASRM Scientific Congress & Expo at dates and times that do not conflict with ASRM programming. Examples of Exhibitor Satellite Events are social and networking events, receptions, dinners, press conferences, and media events such as video news releases, product announcements, staff meetings, focus groups, or educational activities. **All exhibitor satellite events must be registered and approved by ASRM. Applicable fee(s) apply.**

Applicants requesting to host an event during the ASRM Scientific Congress & Expo must meet the following criteria:

1. Must be an approved ASRM exhibitor with fully paid exhibitor status.
2. Must submit the ASRM Satellite Event Application by August 1. Applications are processed in the order received.
3. Must agree to the ASRM Satellite Event Rules and Guidelines
4. Must agree to assume all costs for planning and implementation, including hotel fees, A/V fees, food & beverage, and all other related costs, as applicable.

Satellite Event Rules and Guidelines

Application Review and Processing

Review and processing of applications begins on or before August 1 each year. Requests for ASRM hotel meeting space or other ASRM venue(s) are subject to availability. Notifications of application approval status will be communicated on or before August 15. Application for hotel space within the ASRM hotel block may be delayed pending the finalization of all ASRM Congress-related meetings. Requested venue(s) that are outside of ASRM's hotel block or other ASRM venues may be processed more expediently.

Approval of Promotional Materials

All promotional materials, invitations, and similar meeting collaterals (print and digital) must be submitted to ASRM for review and approval prior to distribution to ASRM attendees.

Cancellation of Exhibitor Space

Cancellation of exhibitor space whether voluntarily or involuntarily also cancels the Satellite Event(s).

Restricted Times

Satellite Events are permitted only during non-restricted times, as stated in the application.

Non-Permitted Activities

Satellite Events may not include fundraising activities on behalf of the sponsoring organization, or any other organization (except on behalf of ASRM with prior written approval), or cause.

No unauthorized activities/events may be held in any of ASRM hotel blocks or any location in the city in which ASRM is hosting the ASRM Scientific Congress & Expo.

Non-Compliance

Failure to comply with ASRM Satellite Event Rules and Guidelines may result in loss of exhibitor eligibility for future years. Non-approved Satellite Events will be assessed the appropriate Satellite Event Fee. Non-payment of an assessed fee(s) may cancel existing or future exhibitor space, at the sole discretion of ASRM.

ASRM EXHIBITOR SATELLITE EVENT APPLICATION

Meeting space for Satellite Event(s) is secured on a space-available basis only. Please use a separate application for each event requested. Exhibitors must complete this application if planning an event during ASRM Scientific Congress & Expo. Please refer to the Satellite Event Guidelines for additional information. The **Satellite Event application deadline is August 1.**

****Restricted Event Times****

Sunday: Satellite Events are not permitted between 6:00 PM - 10:00 PM

Monday-Wednesday: Events <25 attendees, no restrictions; Events > 25 attendees not permitted between 8:30 AM - 5:00 PM

Select event types with fewer than 25 attendees may be eligible events held during the official ASRM 2023 Scientific Congress & Expo. Symposia or similar large sessions, regardless of nature, are not permitted Monday-Wednesday between the hours of 8:30 AM – 5:00 PM
