

WELCOME

Thank you for choosing to exhibit at the ASRM Scientific Congress & Expo. The ASRM Scientific Congress & Expo will be held October 14-18, 2023 at the New Orleans Morial Convention Center in New Orleans, LA. The exhibits will be open October 16-18, 2023.

This Exhibitor Service Manual provides you with all the information that an exhibitor needs to have a successful Scientific Congress & Expo – from forms for ordering carpet, furniture, electricity, and telecommunications, to important information with regards to registration, housing, and sponsorship opportunities. The Exhibitor Service Manual also includes information on available discounts if services are ordered by the earlier deadline date. In addition to the cost savings advanced ordering provides you, it also helps the service providers better plan equipment needs and labor schedules – all resulting in a smooth operation and successful experience.

If you have any questions, please feel free to contact me at 703-654-6929 or via email meghan.leahy@spargoinc.com. We appreciate your support and look forward to a very successful meeting in New Orleans.
