PLUMBING TERMS & CONDITIONS

1. Location of service in booth must be designated. Diagrams indicating booth orientation are required.
2. Rates listed for all connections include bringing the service to booth in the most convenient manner and DO NOT INCLUDE connecting equipment, special wiring, ramping, making specialized installations or labor.
3. Additional service charges and labor charges may be assessed for installation. Payment must be rendered in Full when billed during the event. Service may be interrupted if payment is not received.
4. **Any additional cost incurred by MCCNO to (1) assist in trouble diagnosis or problem resolution found not to be the fault of MCCNO or (2) collect information required to complete the installation that customer fails to provide may be billed to the customer at the prevailing rate.**
5. **All service issues must be reported to the MCC Service Desk prior to the close of the event.**
6. **Claims will not be considered unless filed in writing by exhibitor prior to close of event.**
7. **Credit will not be given for service installed and not used.**
8. **Cancellation – All cancellations must be submitted in writing. A \$50.00 processing fee will be applied to orders cancelled prior to installation. No credit is given for service cancelled after installation.**
9. The Convention Center is responsible for the installation of all electrical distributions from the power source to the exhibit. Distribution is defined as all cable, connectors and hardware up to the first connection that follows the last branch circuit protection device.
10. Any branch circuit connection which is terminated in a non-Nema rated connector (i.e. bare wire, disconnect) must be made by a Convention Center electrician
11. All equipment, regardless of source of power or plumbing connection must comply with Federal, State and Local codes. The Convention Center reserves the right to inspect all electrical and/or plumbing devices and connections to ensure compliance with all codes.
12. If further explanation of your plumbing/electrical requirements is necessary, please attach a separate sheet to this form.
13. If a technical data sheet on equipment indicating connections and/or description of equipment to be connected is available, please attach sheet or description to the Utility Location form.
14. Please indicate locations of outlets in booth on the utility locations form.
15. If no location is provided, the drop is installed in the center rear of the booth. Labor charges will apply to relocate the service
16. All connections are subject to approval by MCC, and only the Convention Center Mechanics are authorized to make air, water, drain, gas, and steam connections.
17. All fittings are SPT.
18. Gas branches are not permitted under carpet.
