The pre/post-registration list contains contact information captured during the registration process for those attendees “opting in” to receive mail correspondence. All mailing lists sent from ASA® include mailing information only and do not include email, phone or fax information.

The **one-time direct mailing** list will be provided directly to you via email in an Excel format to process and mail. All expenses related to mailing including setup and postage will be your responsibility.

ASA reserves the right to refuse any order, at any time for any purpose. All lists are seeded and their usage will be monitored to detect unauthorized or illegal use. Second and multiple usage rates are the same as the initial rates; no discounts will apply.

Email a PDF sample of the exact mail piece as it will appear when distributing to the list to Stephanie Houck, CEM at stephanie.houck@spargoinc.com for approval. You will be contacted if there is any incomplete information that may delay your order. Once ASA approval is obtained and payment received, the list will be released.

Important reminder:

To expedite the approval process, please refer to the enclosed ANESTHESIOLOGY® 2019 Language Usage Guidelines for acceptable language to be used on any promotional or booth material pertaining to this meeting.
