

Industry Expert Theater

The Industry Expert Theaters provide an opportunity for exhibitors to present non-accredited educational sessions for up to 50 in-person attendees, highlighting new service or the development of a particular product. Theater sessions may be up to 45 minutes in length, including any Q&A. Theater presentations should feature one or more key internal scientific staff of the Theater participant, not outside or third-party scientists or speakers, e.g. no Key Opinion Leaders. Theater presenters must be employees of the Theater participant. Audio and slides from each session will be captured and placed on the Symposium website for on demand viewing after the meeting.

Exhibitors with contracted 2023 ASCO GI Cancers Symposium exhibit space are eligible to apply to participate in the Theaters. Live, in-person presentations (slides and audio on demand after) may be reserved for \$45,000 each and will be awarded on a first-come, first-served basis. Pre-recorded presentations (on demand only) are available for \$30,000 each.
