The Expo Group is passionate about reducing, reusing, and recycling materials and waste. There are several simple things you can do to help as well. Join us by implementing some basic habits to help us keep our beautiful planet green.

YOUR BOOTH

- Order booth services online to reduce use of paper.
- Rent carpet directly from us to assure you are renting recycled/recyclable carpet.
- Ask about graphics and signs that can be made from recycled materials, are recyclable and consider using digital graphics.
- Consider our Perspective Rental Exhibits or modular Octonorm rental systems to assure your booth is recycled and reused.

IN YOUR BOOTH

- Use QR Code(s) to send electronic literature to prospects or consider printing locally rather than shipping in paper.
- Make sure booth lighting uses LED bulbs for reduced energy consumption.
- Order giveaways responsibly to avoid plastic, toxic materials and useless products that will end up in the hotel room trash.

SHIPPING YOUR BOOTH

- Make sure that possible recyclable or reusable items are not left behind after the show closes - clean your space before leaving.
- Ask about caravans and consolidated shipments going to another industry show to save on fuel emissions.
- Consider the use of shipping containers that are recyclable or reusable.

- Standardize furnishings and prices.
- Rent vs. purchase exhibits options.
- Controlled material handling.
- Reusable registrations kiosks.

Our Packaging Plans include:

All materials and equipment are on a rental basis for the duration of the show or event and remain the property of TEG except where specifically identified as a sale. In the case of bills submitted to parties other than the EXHIBITOR (i.e., Third Parties), such arrangements in no way release EXHIBITOR from any and all terms and conditions outlined herein.

1.3.b. THIRD PARTIES: EXHIBITOR is ultimately responsible for all charges incurred on its behalf. In the event that a THIRD PARTY agent orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last scheduled show day, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

1.3.c. TEG Reserves the right to adjust the price charged for any item in the event of a sudden and unexpected price increase. If there are any outstanding balances owed by EXHIBITOR to TEG which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum), and future orders will be on a prepaid basis only. EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Event. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

1.3.e. CANCELLATION: Unless otherwise noted on the specific service order form, Exhibitors who cancel up to ten (10) days prior to Exhibitor Move-in will NOT be assessed any cancellation fees. Cancellations received less than 10 days prior to Exhibitor Move-in or at show site, will incur a fee equal to 100% of the order amount unless otherwise noted on the specific service order form. If the Show or Event is canceled because of reasons beyond TEG'S control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. In either case, Shipments received at the Advance Warehouse will be assessed a charge of 50% of the applicable published Warehouse rate. TEG will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR'S responsibility to advise the TEG Service Representative of problems with any orders, and to review the EXHIBITOR'S account summary for accuracy prior to the last scheduled day of the Show or Event.

1.3.f. CREDIT CARD: TEG is pleased to accept orders for services, with payment being made by a credit card. By paying for these services in advance, and adhering to the deadline date, you have taken advantage of the discount offered. If a payment is subsequently made by check with the intention of reversing the initial credit card payment CREDIT CARD REFUND PROCESSING CHARGE will be assessed for each subsequent transaction following the initial transaction. The fee to reverse the credit card payment and replace it with a check or an alternate credit card is 3% of the amount owed. Said CREDIT CARD PROCESSING CHARGE is applicable in the event of voluntary withdrawal and/or cancellation of service as outlined in conditions above.

1.3.g. REFUNDS: EXHIBITOR may opt to transfer order credits and payments at full value towards any service solution from The Expo Group on any future Event despite the Event or General Service Contractor in lieu of refund. Request for refund due to withdrawal is subject to Administrative and Credit Card Refund Processing charges. Any refund will be processed as part of TEG's show close process, within 21 days of the last show date. Prior to any refunds being paid to EXHIBITORS, these cancellation and/or postponement charges will be determined in good faith by TEG and withheld from any amounts previously paid by EXHIBITOR to TEG in proportion to receipts from all exhibitors with the excess being refunded. EXHIBITOR shall receive a full and complete refund of any overpayments following final show close audit. In the event of EXHIBITOR withdrawal or the Exposition or Event is cancelled or postponed, TEG reserves the right to charge for services rendered in preparation of the Event or Exposition, including all non-refundable Administrative Processing costs incurred by TEG, and applicable CREDIT CARD REFUND PROCESSING CHARGES.

1.3.g.i. Request for refund by different method than original payment must be submitted in writing by EXHIBITOR. Electronic request will only be considered when sent from an email address within the exhibiting company's domain and on company letterhead. The request must specifically address the reason for requesting the refund by check and full details for where the check is to be mailed.

1.3.g.ii. TEG will remit refunds to EXHIBITOR at the name and address on file. EXHIBITOR will receive a refund for any extra overpayment above and beyond the amount which EXHIBITOR owes to TEG. TEG reserves the right to discontinue one or all services or equipment delivery to EXHIBITOR for non-payment of one or more outstanding bills should such bill not be paid before the close of the first day of the Show. Payment for any one or more of the services rendered does not in any way release EXHIBITOR from payment of the other remaining services upon presentation of an invoice. Should it become necessary after all discrepancies are resolved to employ a collection agency, then EXHIBITOR agrees that all reasonable and customary collection fees shall be borne by EXHIBITOR.

1.4. **CHOICE OF LAW & VENUE.** Any dispute between TEG and EXHIBITOR shall be governed by the laws of the State of Texas (without regard to Texas' conflicts of laws principles). WHAT ARE FREIGHT SERVICES?

As the official Service Contractor, The Expo Group is the exclusive service provider for freight services. Material Handling is the unloading of your materials, up to 2.5 weeks of advance storage at the advance warehouse address, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. There are two options for shipping your freight - either to the advance warehouse or directly to the show site. It should not be confused with Shipping which is the cost to transport your exhibit material to and from the convention or event.

HOW DO I SHIP TO THE ADVANCE WAREHOUSE?

- We will begin to accept freight up to 2.5 weeks prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date noted on the Quick Facts. Freight will be accepted after the deadline date, however additional charges will apply.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- **Certified weight tickets must accompany all shipments.**
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Warehouse freight is typically delivered to the booth prior to exhibitor set up.
- All shipments to the advance warehouse or show site must be marked PREPAID on your bill of lading. Any Collect shipments will be refused, and Exhibitor/EAC/Shipper shall be liable for any shipping charges or expenses related thereto.

HOW DO I SHIP DIRECT TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in.
- Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- **Certified weight tickets must accompany all shipments.**
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be refused.
- Please mark all shipments PREPAID on your bill of lading.
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, booth number and the name of the event.
- Please see shipping labels in the service manual.
- The specific shipping address for either the warehouse or show site can be found on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- Locate the rate that applies to your shipment(s) on the Material Handling Form then multiply the rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

Hawaii'i Convention Center - Halls B and C

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at The Expo Group's on-site Service Center.
- Once your container is completely empty and no longer needed, complete the labels and place them on each container. Our team will collect labeled empty containers periodically to be placed in storage that is non-accessible during the show.
- At the close of the event, empty containers are returned to all booths in random order. Depending on the size of the event, this process may take several hours. The empties returns start after all aisle carpet is removed from the show floor.

ARE MY MATERIALS PROTECTED AFTER DELIVERY OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Refer to The Expo Group's Terms & Conditions sections 1 and 2 for additional representation and warranties on your property in the segments shown below.
- Consistent with trade show industry practices, there may be a period between the delivery of your shipments to your booth space and your arrival. This also applies for the end of the show, during the move-out or outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend you arrange either for a company representative to stay with your materials or to hire security services to safeguard your materials.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your location until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by adding riders to your existing insurance policies.
- All materials handled by The Expo Group are subject to the Terms and Conditions, which can be found in the exhibitor service manual or online at cyberservices.theexpogroup.com.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- An individual completed Material Handling Agreement (MHA) is required for each outbound shipment. Save time by completing the Outbound MHA in advance online, or visit The Expo Group's Service Center once you arrive on-site.
- If the shipping information is provided in advance, the MHA will be delivered to your booth on-site. Otherwise, the MHA and labels will be available for pick up at The Expo Group's on-site service center.
- After materials are packed, labeled, and ready to be shipped, the completed MHA must be delivered to The Expo Group's onsite service center.
- Please note, it is the exhibitors responsibility to take their outbound small package shipments (FedEx, Ups, etc.) to the local business center.
- A minimum charge of one ½ hour TEG supervised labor fee will apply for any shipments left in a booth space without a processed MHA.
- It is the exhibitor's responsibility to schedule pick up with their outbound carrier. Make sure to share the check-in deadline noted on the Quick Facts with the carrier. Please refer to the Quick Facts for specific dates, times and address for pick up.
- In the event a scheduled carrier fails to pick up by the final move-out day, the shipment will be re-routed on The Expo Group's carrier of choice.
- For your convenience, approved show carriers will be on-site to assist you with arranging outbound transportation if arrangements were not made in advance.

WHERE DO I GET A FORKLIFT?

- Forklift service to assist in the install or dismantle of your exhibit components may be ordered in advance or on-site. For fast ordering go to www.theexpogroup.com, and click "Order Services", then "Lift Equipment and Labor". You may also contact us by email, Chat, text or by visiting The Expo Group's Service Center on-site. Refer to the Lift Equipment and Labor Form for available equipment.
- Orders for equipment & labor will be dispatched once the exhibitor signs the labor order at The Expo Group's Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

All decorating, display, and material handling labor related to conventions, trade shows, promotional displays and consumer shows is performed by the Official Service Contractor.

Display & Exhibit Work

Full-time employees of an exhibiting firm may install and dismantle their own and respective company displays based on the following guidelines. Any outside or additional labor required for installation and dismantle, or decorating is to be performed by the Official Service Contractor under the guidelines established by the International Association for Exposition Management.

Material Handling

All materials received, other than those in exhibitor owned vehicles as described below, will be handled by the Official Service Contractor. Please refer to the enclosed shipping instructions and material handling information.

Privately Owned Vehicles (POVs)

Exhibitors, show organizers and other clients may handle their own materials which can be carried by hand by one person. Exhibitors may not bring or use carts, pallet jacks or other material handling equipment which would interfere with the operations of the Official Service Contractor. The above will be strictly followed.

All materials, other than exhibitor handled materials as described above, are chargeable as material handling and will be handled through the Official Service Contractor. There are no storage facilities available for materials handled by exhibitors.

Space is limited at showsite. To ensure the orderly move in and move out of the show, all docks and vehicle traffic are under the exclusive control of the Official Service Contractor. Due to volume and time constraints, exhibitor owned vehicles must be capable of being loaded/unloaded within fifteen minutes.

Any questions should be addressed to the Official Service Contractor or show management.

ELECTRICAL CODE

Electrical Services for Exhibits at Convention Facilities

Electrical requirements for an exhibit at all convention facilities are for the safety of all exhibitors and are based on national Electrical Codes and local ordinances.

Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits in the convention facilities may be inspected to determine if any violations exists. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and material basis. If the exhibitor does not wish to have the fault corrected, electrical services to the offending booth will not be connected.

If an exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities. Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or floor lighting is a hazard when lamps are too close to fabrics or other materials which can be affected by heat.
- The use of clip-on sign sockets, latex or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.

Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities.

PLEASE LEAVE ALL 2-WIRE CORDS AT HOME

Where will my outlet be located?

There are four different types of trade show booths: Line Booths, Peninsula Booths, Back-to-Back Peninsula Booths and Island Booths.

Each type of booth has its own method of installation. In the following diagrams, the symbol  represents the approximate location of power outlets.

In-Line Booths

Peninsula Booth

Back-to-Back Peninsula Booths

Island Booth

One Drop within booth when power Source is meeting or one location on perimeter when power source is in the floor.

In-line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths: Your pre-ordered Electrical Outlet will be installed at the rear of your booth, at the drape line.

Island Booths: You need to designate one location for each outlet you order. Multiple outlet locations will be charged on a Labor and Material basis. For facilities with power originating in the floor, your Electrical Outlet will be placed at one location at our discretion. All other distribution will be done on a Time and Material basis. If you fail to provide us with a floorplan, we will bring your power to one location at our discretion.

How much power do I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the Ratings from the metal plates attached to each unit.
