

ANCILLARY EVENT SPACE GUIDELINES

The biennial International Myeloma Workshop (IMW) brings together myeloma experts from around the world to discuss basic, preclinical and clinical aspects in the biology and treatment of multiple myeloma.

The IMW presents a prime opportunity for affiliates of IMW – exhibitors, corporate supporters, patient groups, and nonprofit organizations – to hold meetings and events in connection with the four-day workshop. IMW encourages affiliates to take advantage of this opportunity and has established a set of guidelines to be followed when planning and hosting ancillary meetings. All ancillary meetings held in conjunction with the workshop, from Wednesday, September 8, 2021 through Saturday, September 11, 2021 must adhere to these guidelines, regardless of the meeting location.

A. ANCILLARY MEETING EXAMPLES

Other than the pre-approved events which are industry-sponsored, non-CME certified meetings held in conjunction with the workshop, IMW will be the sole provider of all educational and scientific programming from Wednesday, September 8 through Saturday, September 11. Consequently, **any ancillary meetings with an educational or scientific focus or intent are strictly prohibited during these four days.** Examples of permissible ancillary meetings, provided that a suitable request has been submitted and approved in advance, include:

- **Private food and beverage functions** that are by “invitation only.” Corporate/executive staff may speak about their products and services, but educational speakers are prohibited.
- **Investigator Meetings/Industry Updates** that are by “invitation only.” Investigators involved in conducting research for the company and individuals who have provided consultation for the company are appropriate speakers; prospective investigators and consultants are not appropriate.
- **Patient group or nonprofit organization meetings**
- **Internal sales, business, or staff meetings** for exhibitors who are participating in the IMW, provided that such meetings are closed to other IMW attendees. These meetings can be held at any time.

B. ANCILLARY MEETING REQUESTS

The main contact for each ancillary meeting request is responsible for assuring that all vendors, speakers and meeting invitees understand and comply with the following guidelines. A violation of these guidelines will be attributed to all parties related to that meeting request.

- All ancillary meetings held during the 2021 IMW must be approved by IMW. To obtain approval, an Ancillary Meeting Room Request must be submitted to IMW.
- There is a \$1,000 non-refundable fee per approved event request. This fee will be waived for corporate sponsors of IMW supporting the IMW at a Silver level or higher.
- Meeting space is limited and Ancillary Meeting Room Requests that comply with these guidelines will be considered on a first-come, first-served basis.
- Space for ancillary meetings will be provided only to requestors who are affiliated with IMW, such as exhibitors, corporate sponsors, nonprofit organizations, IMW members, and IMW registered attendees.
- Hotels in the IMW room block will not reserve meeting rooms/function space for ancillary meetings for any individuals/organizations during the 2021 IMW without prior approval from the IMW.
- The main contact is responsible for all costs associated with the approved ancillary meeting (food/beverage, audio/visual, equipment, labor costs, etc.). It is the main contact’s responsibility to work with the hotel to make arrangements and finalize billing.

If you have questions or require additional information about 2021 IMW Ancillary Meeting Room Requests, please contact imwregistration@spargoinc.com.
