

Specialty Pharmacy Conference: Optimizing Patient Outcomes and Operational Excellence, July 14-16, 2021

Promote your brand and showcase your company’s offerings and services through sponsorship of our [Specialty Pharmacy Conference: Optimizing Patient Outcomes and Operational Excellence Virtual Event](#), July 14-16, 2021!

This virtual conference will provide targeted education from subject matter experts and will focus on optimizing patient outcomes and operational excellence for specialty pharmacy practice. It was developed in direct response to the needs identified by ASHP members and specialty pharmacy leaders and stakeholders.

In light of the global pandemic, it is more crucial than ever for current and future pharmacy leaders to connect with one another, strategize, and share ideas in a safe and convenient environment. Your corporate support enables ASHP to continue to provide a broad audience of pharmacy leaders with outstanding educational programming and networking opportunities.

Corporate sponsorship of this meeting is limited. View sponsorship packages below. Extend your company’s visibility with this important specialty pharmacy audience today by contacting John Barrett at 703-654-6490 or john.barrett@spargoinc.com for more information!
