We hope you will join us at the [2023 ASHP Summer Meeting & Exhibition](#), June 10-14, at the Baltimore Convention Center in Baltimore, Maryland. Attendees will choose one of the four boutique conferences happening concurrently, allowing them to focus and participate in education and networking events with like-minded peers across the healthcare spectrum. It is the best of both worlds--specific and focused education.

The Summer Meetings & Exhibition is where ASHP's governing body, the House of Delegates, meets to explore emerging health policy issues in health-system pharmacy. Pharmacy leaders representing each state gather in the House of Delegates to propose new ASHP policies and discuss current issues in health-system pharmacy practice.

Thank you again for exhibiting and your continued support of ASHP.

Sincerely,

Fran Brynes
