The Conventions C.A.R.E. program takes your donation and provides these needed items to the regions non-profit organizations. Donating your materials is easy. Just follow the steps below and make an impact!

Step 1

For smaller items place donations in the blue bins at the “Donation Locations” throughout the exhibit hall. “Donation Locations” can be found on a map located at the MCCA exhibitor services desk.

Step 2

For larger donations visit the MCCA Exhibitor Services desk to get Conventions C.A.R.E. stickers. Place stickers on any large item you would like to donate. Leave the item in your booth and a representative will pick it up.

Step 3

Feel good knowing your donations have impacted local non-profits and the work they do!

If you're interested in donating or to learn more, please visit the MCCA exhibitor services desk or contact your exhibitor services representative: exhibitorservices@massconvention.com or call (617) 954-2230
