Maximum mobility for capturing and qualifying data.

Capture! Mobile for Smartphone or Tablet

Capture! Mobile for Smartphone or Tablet is the newest addition to ExpoTools' robust suite of lead retrieval and attendee tracking solutions. This versatile app enables trade show exhibitors to capture, qualify and follow up on leads or surveys directly from their smart phones or tablets, and then securely access this data in real time from any location.

- Works with Android phone, Android tablet, iPhone and iPad
- Scan the badge with your built in camera
- All scans are safely stored and backed up on the device and in the cloud
- Use it at your hotel, social function or shuttle bus
- Easily add custom qualifiers
- Survey capable

Early-bird Rate (by 5/13/22) \$370 | Standard Rate (after 5/13/22) \$400 | Onsite Rate (after 6/3/22) \$430

Additional Activations: \$155 - \$175 per activation

API Developer's Kit

Use of proprietary encoding methods used for the Conference. This license agreement allows for the operation of up to (3) readers to interpret information encoded on the badges. Customers may import this information into their own customized software.

\$835 per kit (3 activations) - \$145 for each additional activation

Privacy Notice - Attendee badges are encrypted. Badges may only be read by official lead retrieval equipment and Capture! Mobile App. If using outside equipment, a developer's kit is necessary to read the badge and can be ordered by contacting captureleads@spargoinc.com
