Introduction

This document outlines the general guidelines that will apply to Product Theaters at the 65th ASH Annual Meeting and Exposition. These guidelines are to be construed as part of the policies for exhibitors at the ASH annual meeting and as part of the contract for the Product Theater. All sponsors must comply with these standards as well as all other requirements applicable to exhibitors at an ASH annual meeting.

Eligibility for Product Theater

Only exhibitors with secured and contracted 65th ASH Annual Meeting and Exposition exhibit space are eligible to secure a Product Theater. Applicants must be in good standing with ASH.

In-person exhibitors may contract for in-person Product Theaters for \$93,000. In-person exhibitors may present a pre-recorded version of their in-person presentation on the virtual meeting platform for an additional fee.

- In-person exhibitors with no virtual exhibit may add this option to the virtual meeting platform for \$50,000 (in addition to the \$93,000).
- In-person exhibitors who are also virtual exhibitors may add a pre-recorded version of their in-person presentation to the virtual meeting for \$25,000 (in addition to the \$93,000)

Virtual exhibitors without an in-person exhibit may only contract for virtual presentations. Virtual-only exhibitors may not present an in-person Product Theater in San Diego.

Any applicants with outstanding balances with ASH must settle their balances before their applications will be considered. If an accepted applicant cancels or defaults on exhibit space at the 65th ASH Annual Meeting and Exposition, the contracted session will be revoked and any cancellation penalty at that date will apply.
