

67th ASH® Annual Meeting and Exposition

DECEMBER 6-9, 2025 | ORLANDO, FLORIDA

#ASH25

Clinical Trials Directory

ASH is pleased to offer exhibitors the opportunity to participate in the ASH Pipeline and Clinical Trials Directories. Since its debut in 2020, the ASH Directories have had over 30,000 views. Be a part of these valuable resources and share the details on your most promising drugs and medical devices in development.

Directory listings may only be secured by exhibitors of the 67th ASH Annual Meeting and Exposition.

\$7,500 per listing — *Non-Exclusive*

The Clinical Trials Directory will be searchable by hematologic disease pathway, phase, location, company name, and keyword. Listings will include compound or medical device name, study title, NCT number with link to *clinicaltrials.gov*, study type, trial locations, and contact information. Listings will be linked to the URL of your choice. The Clinical Trials Directory will be accessible November 1, 2025 through October 31, 2026. Listings may be updated at any time throughout this period.

The screenshot shows the Clinical Trials Directory interface. At the top, there's a navigation bar with the ASH logo and the title 'Clinical Trials Directory'. Below this is a filter section with 'Filter By Category' and 'Clear Filter' buttons, and a horizontal scrollable list of categories: Anemias, Bleeding and Clotting, Bone Marrow Failure, Genetic Disorders, Hemoglobinopathies, Immune Disorders, Infectious Diseases, Lymphoid Malignancies, and Myeloid Malignancies. A search bar with a 'Search' button is located below the filters. The main content area displays two listing cards. Each card has a table with columns: Compound (Drug)/Device Name, Disease Pathway, Study Title, Phase, NCT Number, Study Type, Trial Locations, and Company Name. Below each table are two buttons: 'Meet With Our Representative' and 'Email Our Representative'. Blue callout boxes with lines pointing to specific elements provide additional context: 'Search by disease pathway' points to the filter categories; 'Search by phase, location, company name, or keyword' points to the search bar; 'Link to your virtual exhibit or the URL of your choice' points to the 'Email Our Representative' button; 'Displays study description and criteria' points to the 'Study Title' column; 'Link to listing on clinicaltrials.gov' points to the 'NCT Number' column; and 'Link to schedule meeting' points to the 'Meet With Our Representative' button.
