

## Display Restrictions

Literature stands and/or pop-up booths are not permitted behind, in front of, or next to the exhibit table. Except for banner stands and monitors stands, which are permitted on the floor directly behind the exhibit table, all displays are restricted to the table top.

Advertising, marketing materials, and/or product literature that contain any reference to a specific poster or session are prohibited.

Please note that failure to comply with these policies may result in disciplinary action, as set forth in the [Policies for Exhibitors and Other Organizations at ASCO Meetings](#).
