- 1. How do I identify conference sessions that are approved for CompTIA CEUs, GIAC CPEs or Logical Operations CECs?** Approved sessions are noted on the reverse side of this flyer, and will be included in the event show guide and mobile application, and on the event website.
- 2. How do I obtain the session documentation required for me to submit to CompTIA, GIAC and/or Logical Operations?** Formal attendance documentation is a benefit of AFCEA membership and a service provided to INSA members. Participation in an event session qualifying for CompTIA CEUs, GIAC CPEs, Logical Operations CECs is required. On exiting the session, get your event badge scanned so that we can document your attendance. We will email documentation of attendance to AFCEA and INSA members by December 13, 2018.
- 3. Will attendance documentation be available for all approved sessions listed on the flyer as of the start of the event?** Yes, however, formal attendance documentation is only provided for current AFCEA and for INSA members. Only sessions which last at least one hour will qualify for CEUs, CPEs and/or CECs so be sure to take the opportunity to ask questions of the speaker.
- 4. What if I need additional information about specific continuing education programs?**
