It was exciting to educate attendees and for them to really embrace what we are doing.

ASA is the premier venue for meeting physician anesthesiologists in the U.S.

Capture the attention of influential professionals in anesthesiology, pain management and critical care medicine at ANESTHESIOLOGY 2019, the preeminent anesthesia educational conference in the world.

Over 10,000 influencers, decision makers and anesthesia professionals will be in Orlando, providing exhibitors the opportunity to generate new sales leads, build brand awareness, strengthen relationships with existing customers and create new ones! Become an exhibitor and connect with health care professionals such as physician anesthesiologists, nurse anesthetists, anesthesiologist assistants, respiratory therapists and pharmacists seeking information on the latest products, services and technologies to improve the quality and safety of patient care.

Reach Your Perfect Audience!

- 14,000+ total participants from 80+ countries
- 10,000+ professional attendees
- 300 exhibitors
- Nearly 500 global presenters
- Over 350 educational sessions, special lectures and hands-on workshops

DID YOU KNOW...

According to the Center for Exhibition Industry Research, the most popular objectives for exhibiting are:

- Reach/identify new customers/sales leads: 95%
- Build product/company awareness: 94%
- Meet with existing customers: 89%
- Need to be there—have presence: 82%
- Network with colleagues/professionals: 78%
- Launch/promote new products and services: 76%
- Demonstrate thought leadership in industry: 70%
- Product interaction/experience promotions: 69%

The ANESTHESIOLOGY 2019 exhibit hall is an experience attracting your target market

WHAT’S NEW

● Innovation Row gives startups the opportunity to showcase their offerings at an affordable price.
● The ASA Resource Center and International Pavilion will be conveniently located in the exhibit hall.
● The Last Day Lunch on Monday afternoon will bring attendees to the exhibit hall one last time before the conclusion of the meeting.
● All ASA education sessions will take place in the convention center near the exhibit hall.
● Crucial governance sessions will be held in the convention center.
● Networking events for residents and medical students will be held in the convention center in very close proximity to the exhibit hall.
● The exhibit hall will have extended hours on Saturday; opening 30 minutes earlier than 2018.
● e-Abstracts, Medically Challenging Cases and the Self-Study Program will be held in close proximity to the exhibit hall.

ENHANCEMENTS

● Dedicated exhibit time unopposed by all the major sessions and breakouts (10:30 a.m. – 1:30 p.m. on Saturday), 30 minutes more than 2018.
● Smart Stage MED Talks offering exhibitors the opportunity to host short presentations throughout the day on the latest research, hot topics and new products.

Presenters of the 12 highest scored Medically Challenging Cases will present their findings at the Smart Stage and educate their peers on a subject about which they are passionate.

CONTINUING SUCCESSES

● The Grand Opening Reception (10:30 – 11:50 a.m.) will take place directly after the Opening Session, with no major sessions or breakouts for three hours (10:30 a.m. – 1:30 p.m.).
● Five breaks where refreshments are provided for attendees.
● The Simul8 Challenge, powered by Airway Ex, invites attendees to compete in video games to increase their anesthesiology skills and knowledge and win prizes. Last year, over 5,100 cases were played over the course of only 2.5 days.
● Lounges offer space to relax, complete with free Wi-Fi, charging stations, credit claiming kiosks, social media feeds and ASA TV.

FREE LEAD-GENERATING PROGRAM FOR EXHIBITORS

The VIP Guest Invite Program is a complimentary email marketing campaign allowing exhibitors to invite customers and buyers to receive complimentary access to the exhibit hall.

Don't miss out! For information about how to become an exhibitor, call (703) 631-6200 or email asaexhibits@spargoinc.com.

ABOUT ASA
We are ASA! At the American Society of Anesthesiologists (ASA), we take pride in our dedication to raise and maintain the standards of the medical practice of anesthesiology and to improve patient care. Since 1905, our achievements have played an important role in American medicine and we’ve acted as an advocate for all patients who require anesthesia or relief from pain. We provide outstanding education, research and scientific knowledge to physician anesthesiologists and care team members. asahq.org

Mission: Advancing the Practice and Securing the Future
Vision: A world leader improving health through innovation in quality and safety.
